**NOTICES OF PUBLIC INFORMATION**

---

Notices of Public Information contain corrections that agencies wish to make to their notices of rulemaking; miscellaneous rulemaking information that does not fit into any other category or notice; and other types of information required by statute to be published in the Register.

Because of the variety of Notices of Public Information, the Office of the Secretary of State has not established a specific publishing format for these notices. We do however require agencies to use a numbered list of questions and answers and follow our filing requirements by presenting receipts with electronic and paper copies.

**NOTICE OF PUBLIC INFORMATION****OFFICE OF THE SECRETARY OF STATE**

[M15-11]

**MEMORANDUM**

TO: State Agency Directors and Acting Directors  
FROM: Michele Reagan, Secretary of State

SUBJECT: Governor Douglas A. Ducey Executive Order 2015-01, Internal Review of Administrative Rules; Moratorium to Promote Job Creation and Customer-Service-Oriented Agencies

DATE: January 13, 2015

On Monday, January 5, 2015, I attested to Governor Ducey's first Executive Order relating to a Moratorium on Administrative Rulemaking in the state of Arizona.

Executive Order 2015-01 requires state agencies to seek approval from Gov. Ducey's office prior to initiating any rulemaking.

My Public Services Division is charged with publishing the state's administrative rules. Administrative rule filings will only be accepted if:

1. They follow the filing requirements to Secretary of State form and style, including signed agency certificates and receipts; and
2. An agency has received written permission from the Governor's Office to proceed with a rulemaking as specified under Executive Order 2015-01. The permission shall be in the form of a paper copy of an approval letter from either Mike Liburdi or Kate Hackett King attached to the rulemaking; or
3. If an agency determines that it is exempt from Executive Order 2015-01, the agency shall provide evidence specified in paragraph 3, to promulgate the rules without receiving the Governor's permission. An agency preparing an exempt rulemaking package shall document the reason(s) for the exemption in its preamble. As the publisher of administrative rules, filing an exempt rulemaking does not constitute the Secretary of State's acceptance of the agency's evidence; rather the agency has the burden of proof if the rule is challenged.

Questions about this memorandum can be directed to Public Services Director Scott Cancelosi, at (602) 542-0223.
